

GM Windsor Celebration 90

"a weekend to focus on the 90 glorious years that GM spent in Windsor"

It has been said that by June 2010, General Motors will no longer be building any product in Windsor. General Motors has been in this community for 90 of its 100 year history.

The Organizing Committee (GM Windsor Celebration 90) consists of committed former and current General Motors employees. We are planning a weekend of celebration, final closure and re-union with former co-workers and employees of all the General Motors facilities in Windsor.

The weekend of Friday, May 14 and Sunday, May 16, 2010 will have many events for former and current employees. A lot ideas are in the initial planning stages. Volunteers for the different sub-committees and helpers are needed. In September, we will be looking for volunteers to assist on various committees as the planned celebration takes place.
